This Month's Presentation

“Sco's Grab-bag of Miscellaneous Stuff”

Presenter: M.L. “Sco” Scofield

No telling what we are likely to see this month. As you know, Sco always has something interesting to show us. And there is surely bound to be some VBA code thrown in somewhere.

Our presenter, Sco Scofield, is a Microsoft Access trainer and consultant in Denver, Colorado. He is an active member and the current President of our group. Sco is also a frequent speaker at our group. He has been using Access since version 1.0. Sco spends a large amount of his time as an instructor training all levels of Access from the introductory level all the way through advanced programming. He is a "Microsoft Certified Solution Developer," a "Microsoft Certified Professional," and is A+ certified. Sco was awarded the prestigious "Microsoft MVP" award from 10/1/2001 through 10/31/2005 in recognition of the time that he spent helping Access users in the Access newsgroups on the Internet.

See Sco's company profile on our DAAUG web site Consultants list at www.daaug.org/consultants.asp and on his web site at www.ScoBiz.com.

A Message from the Editor

“Presentations and Presenters”

We are always looking for speakers and topic ideas for our monthly meetings. To volunteer to be a speaker or to suggest a topic, see our Vice President, Danny Lesandrini (vicepresident@daaug.org) or President, Sco Scofield (president@daaug.org). You may also email one of them with "**DAAUG Speaker**" or "**DAAUG Topic**" in the subject line of your message.

This is your group and we need your support. You don't have to be a professional speaker to give a presentation. Your presentation can be about anything that's Microsoft Access related.

We are always looking for articles for our monthly newsletter. Send your articles to Communications@daaug.org with "DAAUG Article" in the subject line.

Please visit www.DAAUG.org for the latest news, consultant lists, officer email addresses and more.

This newsletter is being sent to everyone on the DAAUG mailing list, including members, past members, and people that have been associated with the group. If you are a non-member and wish to be removed from our list, please send an email to Communications@daaug.org with "REMOVE" in the subject line.
