This Month's Presentation

“Let’s Build an Application from Scratch - Part 4”

This month, Jim Pilcher and Patrick Headley will continue with the development of the DAAUG DVD/Movie database. Now that the table design is complete, we will look at setting a few validation rules and default values for various fields and discuss the relative merits of incorporating lookups directly into Access tables. Time-permitting, we will also begin looking at Access forms. Bring a USB flash drive if you want a copy of the database as it exists at the end of the presentation.

Our first co-presenter, Jim Pilcher, is a prominent Microsoft Access developer in the Colorado Front Range area, having worked with Access professionally since 1992. He is an active member and past President of our group. A Microsoft Certified Professional, Jim’s company, DataOne, Inc., maintains a broad clientele base providing Access & SQL Server solutions for local enterprises and large international companies. See Jim's company profile on our DAAUG web site Consultants list at <http://www.daaug.org/consultants.asp> and on his web site at www.DataOneDenver.com.

Our second co-presenter, Patrick Headley, is a developer and consultant for several

Microsoft products, including Microsoft Access. He is an active member and the current President of our group. See Patrick's company profile on our DAAUG web site Consultants list at <http://www.daaug.org/consultants.asp> and on his web site at www.LinxCo-Inc.

Next Month's Topic (Tuesday June 2nd, 2009)

“Everyday VBA for Really Smart People”

Presenter: Jim Pilcher

If **you** are interested in presenting to the group, please contact David Nealey at daaugVicepresident@daaug.org.

Windows Small Business Server Users Group

Next meeting:

Wednesday, May 13th, 2009 3:00-5:00 PM

Location: Microsoft, Desert Mountain (Denver)

Contact: <http://www.winsbsug.com/>

Member to Member

Do you have something that might be of interest to other DAAUG members? Have a service? Something to sell? Looking for something? Then this section is for you. And no, it **doesn't** need to be computer or Microsoft Access related. Send your listings to daaugCommunications@daaug.org with "DAAUG: Member to Member" in the subject line.

Linx Consulting, Inc. would like to help you

[Linx Consulting, Inc.](#) offers database application development for organizations, large and small. Linx Consulting, Inc. develops applications using MS Access 2000-2007, SQL Server 97-2005, PostgreSQL 8.x, VB.Net 2003-2005, Crystal Reports and other technologies with a focus on database applications that use MS Access as the user front-end and MS Jet or a server database engine as the back end.

For more information on how we may serve you, please call Patrick Headley at (303) 916-5522 or visit our Website at www.linxco-inc.com. The entire Website contains examples of what we can do for your database application or Website. Each click on the sample link displays a different sample. Please take a look.

Access classes by M.L. "Sco" Scofield

Check out our online schedule at <http://www.scobiz.com/ClassSchedule.asp>. We offer classes at all levels from beginning to advanced. To find the right class for you, check out our web site, call Sco at 303-757-7768, or send an email to Training@ScoBiz.com.

Be sure to ask for the special DAAUG member discount.

A Message from the Editor

"Presentations and Presenters"

Do you follow events or news that is relevant to Microsoft Access users and developers? If so, email daaugCommunications@daaug.org with information regarding the topic. A member of the DAAUG Board of Directors will review the information and, if it is determined to be of value to the group your information may show up in the newsletter or we will make an announcement at the main meeting.

We are always looking for speakers and topic ideas for our monthly meetings. To volunteer to be a speaker or to suggest a topic, see our Vice President, David Nealey (daaugVicePresident@daaug.org). You may also email him with "**DAAUG Speaker**" or "**DAAUG Topic**" in the subject line of your message.

This is your group and we need your support. You don't have to be a professional speaker to give a presentation. Your presentation can be about anything that's Microsoft Access related. You can make the main presentation or give a short one about an application that you are working.

We are always looking for articles for our monthly newsletter. Send your articles or article ideas to daaugCommunications@daaug.org with "DAAUG Article" in the subject line.

Please visit www.DAAUG.org for the latest news, consultant lists, officer email addresses and more.

Other information:

This newsletter is being sent to everyone on the DAAUG mailing list, including members, past members, and people that have been associated with the group. If you are a non-member and wish to be removed from our email list, please send an email to daaugCommunications@daaug.org with "REMOVE" in the subject line.

Please do not "reply-to" this e-mail. If you wish to send a board member an email, please click the appropriate link above.
